# Shadows Of The 60's

Tribute to The Temptations

## About

Shadows Of The 60's is a New York-based tribute to The Temptations, centered on the group’s signature harmonies, choreography, and Motown-era sound.

The act is available in multiple formats, from an intimate four-piece ensemble performing to tracks to an 18-piece production with backing vocals, horn section, and rhythm section. That range gives buyers options for different rooms, stages, and event setups.

The song list draws from well-known Temptations material including My Girl, Ain't Too Proud to Beg, Just My Imagination (Running Away with Me), Papa Was a Rollin' Stone, and Get Ready. The focus is on a faithful presentation of the music and style associated with the group.
