

84 A Tribute to Van Halen

About

84 has quickly become the region's most sought after Van Halen tribute band. Faithfully recreating the sound, look, and energy of the original Van Halen lineup (1978–1984), 84 brings a jaw-droppingly authentic, passion filled show to packed venues and sold out crowds throughout the Southeast and beyond. 84's Dave, Eddie, Michael, and Alex work to bring you the most accurate concert experience possible. Behind this outrageously accurate concert experience are four perfectly synced music professionals with the flawlessly aligned objective of taking each audience back in time to the early days of Van Halen when Rock Music ruled the world, and Van Halen ruled Rock Music. Each show is uniquely different and uniquely inspired by the audience out front. Just like the original. 84 covers material from the original self-titled album Van Halen (1978) through their most popular album 1984. You will be on your feet with David Lee Roth era hits like Jump, Panama, Hot For Teacher, Runnin' With the Devil, Ain't Talkin' Bout Love, Eruption, Unchained, You Really Got Me, and many, many more.
