

89 vision - A Tribute to Sublime

Sublime tribute built for Southern California venues, festivals, and private events

About

89 vision is a four-piece Sublime tribute formed in Orange, CA in 2023. The band brings the sound, look, and attitude of Sublime to venues, festivals, and private events throughout Southern California.

The repertoire centers on Sublime's greatest hits and fan favorites, delivered in a tight, energetic live set. Standard performances typically include one or two sets totaling 60–120 minutes, with formats that can be adjusted from a single headline set to a full night of music.

For all-ages and community events, 89 vision can work with organizers in advance to create a family-friendly set that meets event guidelines while keeping the sound and energy of Sublime. Pre-show DJ sets are also available.

The band can play through a venue's house system or provide a professional PA for an additional fee. Set lists can be customized around event preferences, making the act a fit for bars, clubs, breweries, music venues, festivals, corporate events, weddings, birthdays, and private parties.

89 vision primarily performs throughout Los Angeles, Orange County, San Diego, and the Inland Empire. The act recommends booking regular venue shows 4–8 weeks in advance and festivals or large events 2–6 months ahead.
