Ultimate 80's Package!

A Tribute to The Cure & Duran Duran

About

A tribute package centered on the music of The Cure and Duran Duran.

The Cured are entering their sixth year as a Cure tribute band and have played more than 250 shows across the United States and internationally. Their set focuses on a selected slice of The Cure's history. Because the original band's catalog can run beyond three hours, The Cured's 60 to 120 minute show is built mainly around audience-requested songs.

ARENA is a Los Angeles-based Duran Duran tribute act presenting a career-spanning best-of concert. The set draws from multiple eras of the band's catalog, with visual presentation and in-show costume changes that reflect different points in Duran Duran's four-decade story.

Together, the format is built around recognizable material, era-specific presentation, and set lengths that fit standard live event programming.
