

A Brooks & Dunn Christmas with Dunn & Brooks

About

Dunn & Brooks are bringing a holiday concert that blends the magic of Christmas with the iconic sounds of Brooks & Dunn. For over three decades, Kix Brooks and Ronnie Dunn dominated country music, delivering 20 chart-topping hits like *Neon Moon*, *Boot Scootin' Boogie*, and *My Maria*. Their signature harmonies and high-energy performances became the soundtrack to an era, shaping the genre in unforgettable ways.

In 2002, the legendary duo released their celebrated holiday album *It Won't Be Christmas Without You*, a collection of timeless Christmas classics and original songs delivered with that unmistakable Brooks & Dunn flair. This year, Dunn & Brooks—the premier tribute band dedicated to carrying on the duo's legacy—are paying special homage to that holiday album with a one-of-a-kind Christmas show.

Audiences can expect the perfect mix of holiday cheer and country tradition. Beloved Brooks & Dunn hits will be woven throughout a setlist featuring the festive tracks from *It Won't Be Christmas Without You*, creating a night that's both nostalgic and joyful.

Fronted by Brian Parker as Ronnie Dunn and Michael Self as Kix Brooks, alongside the powerhouse Dunn & Brooks band, this show delivers all the fire, harmony, and spirit of the originals. With dazzling musicianship and heartfelt performances, they promise a country Christmas experience that captures the warmth of the holidays and the electrifying energy of a Brooks & Dunn concert.

This is more than just a tribute—it's a celebration of great music, holiday tradition, and the enduring spirit of country. Don't miss the chance to experience the ultimate Brooks & Dunn Christmas event, live on stage.
