

An Innocent Band

About

An Innocent Band gives their audience an unforgettable concert experience through the music of Billy Joel. These seven seasoned musicians enthusiastically perform carefully crafted renditions from this Rock and Roll Hall of Fame member's enormous catalog of hits. While balancing elements of the original recordings with embellishments developed by the Piano Man himself through years of live concert touring, An Innocent Band serves as your tour guide on this musical celebration with an energy that is as infectious as the melodies that solidified Billy Joel as one of the best-selling and most popular artists in the world. The individual members of An Innocent Band bring decades of experience as musicians, performers, original recording artists and session players who have performed around the world and have shared stages with artists including Blue Oyster Cult, The Drifters, Rex Smith, Head East, Sara Evans, The Crystals, Davy Jones, Henry Lee Summer, Georgia Satellites, The Tokens, Brooke Shields, Shannon Hoon/Blind Melon, Brad Paisley and many others.
