

Another Tequila Sunrise

About

Another Tequila Sunrise is America's premier Tribute to the Eagles. Since 2001, this New England based tribute band has been delighting sell-out crowds across the country with a catalog of music that encompasses the classics and deep cuts from the Eagles' studio collection, as well as the biggest hits from the solo careers of Glenn Frey, Don Henley, and Joe Walsh. They do this with an unparalleled commitment to the music. Another Tequila Sunrise has gone beyond the realm of understanding how this music was made. Their ability to recreate the Eagles' live experience is what truly sets them apart. One must understand not only how the music was made, but also why — why does Henley alter his drumming pattern ever so slightly, why does Felder choose this particular lick over another. Uncovering these notions is crucial to delivering a painstakingly authentic Eagles live experience.
