

Big Tooth Comb

About

From San Diego, California come the original rock band Big Tooth Comb

Big Tooth Comb blends heavy guitar riffs, pounding basslines, and thunderous drums to create a wall of sound that grabs you by the throat.

When BTC takes the stage, they command attention with their electrifying presence and blistering performance. Mike's fiery guitar solos, Randy's pulsating basslines, and Joe's thunderous drumming combine to create an unforgettable live experience that leaves audiences craving more.

Short bio

Big Tooth Comb is an original rock band from San Diego, California, combining heavy guitar riffs, pounding basslines, and thunderous drums. Mike's fiery guitar solos, Randy's pulsating basslines, and Joe's thunderous drumming shape the band's live sound.

Full press bio

From San Diego, California, Big Tooth Comb is an original rock band built on heavy guitar riffs, pounding basslines, and thunderous drums. The trio creates a wall of sound with Mike's fiery guitar solos, Randy's pulsating basslines, and Joe's thunderous drumming.
