

Bostyxx

About

A stylistically unique band covering songs from two of rock's most iconic acts: Boston and Styx. Boston and Styx are both iconic rock bands with soaring vocals and harmony guitar parts that set them apart from all the rest. The members of Bostyxx have been singing, performing, and playing in sync as if they'd been together their entire musical careers, making sure that all vocal and musical parts are played to perfection. This is done with band members that all sing — 3 guitar players and keyboard players — to assure nothing is missed from the original recording. Bringing you back to the Glory Days of both bands. Throughout the course of the band's union, they have won over the hearts of music lovers from all walks of life, performing at a variety of venues, festivals and clubs.
