

CAPTURED – The Ultimate Journey Tribute

Tribute to Journey

About

CAPTURED is a Louisville, Kentucky-based Journey tribute built for buyers who want the songs played live and played straight. The band focuses on the sound and feel people know from the radio: power ballads, searing guitar solos, and the unmistakable style associated with Steve Perry-era Journey.

Made up of seasoned veterans, CAPTURED performs without backing tracks. What you hear is live, period.

Audience feedback consistently points to two things: a close vocal resemblance to Steve Perry and arrangements that stay faithful to the original recordings rather than adding extra twists. Listeners have described the show as sounding like hearing the original music again, with comments calling it a great concert, an awesome show, and the best tribute band they had seen.
