

Cassie B Project

About

Cassie B Project is a multi-talented artist who is passionate about dance and music. With a background in dance and experience in choreographing and performing in various projects, Cassie B brings a unique blend of talent and creativity to her music. Inspired by the soul and funk sounds of Motown, Cassie B creates feel-good music that is designed to make people want to move. She believes that her music has the power to make a positive difference in people's lives. Cassie B is available for special events, weddings, corporate events, and private parties, where she aims to create an extraordinary experience that will be remembered forever.

Short bio

Cassie B Project blends dance, choreography, and performance with feel-good Motown-inspired soul and funk. Available for special events, weddings, corporate events, and private parties, Cassie B brings music designed to get people moving.
