About

Changes In Latitudes is the country's most authentic tribute show to the Mayor of Margaritaville, Jimmy Buffett. Since Jimmy Buffett's passing, the band has done its best to keep the party going, as he would have wanted it. This nationally acclaimed band roams the country bringing their dancing conga lines and Trop Rock fun to every venue they play. It's the ultimate beach party that's good clean fun for all ages. Over their 20-plus year history, the band has travelled from Maine to Barbados, and Cape Cod to Hawaii. From the 900-seat Walt Disney Theaters aboard the Disney Magic and Wonder cruise ships, to the National Hamburger Festival in Akron, OH, in front of 6500 fans, they've set attendance records across the country. Members of Jimmy Buffett's Coral Reefer Band have both performed live and recorded with Changes In Latitudes. Steve Kareta mimics Jimmy's casual storyteller style, while these world-class musicians take you on a musical cruise around the sun-drenched tropical islands of the Caribbean.
