

Decades of Ozz

About

From Los Angeles, Decades of Ozz is a powerhouse tribute that celebrates the full legacy of Ozzy Osbourne, the Prince of Darkness himself. Unlike other tributes, this show features two world-class guitarists, each stepping into the shoes of the icons who defined Ozzy's career across generations.

One guitarist channels Zakk Wylde, delivering the blistering riffs and solos that powered Ozzy's legendary solo career—hits like *Crazy Train*, *Mama, I'm Coming Home*, and *No More Tears*. The other embodies Tony Iommi, recreating the dark, heavy, unmistakable tones of Ozzy's era with Black Sabbath—classics like *Paranoid*, *Iron Man*, *War Pigs*, and *Children of the Grave*.

By showcasing both eras side by side, Decades of Ozz offers fans something truly unique: the authentic sound, energy, and look of two defining chapters in heavy metal history. It's not just a concert, but a journey through the music that shaped generations of rock fans—delivered with precision, passion, and the raw power Ozzy's catalog demands.

From the thunder of Sabbath to the anthems of his solo career, Decades of Ozz is the ultimate Ozzy Osbourne tribute—capturing every riff, every scream, and every decade of his unmatched reign.
