

Dog N Butterfly

About

Created in late 2003, DOG 'N' BUTTERFLY is a 5 piece band of accomplished musicians dedicated to bringing their talent and love of Heart's memorable music of the 70's and 80's to the stage with unequaled accuracy and musical skill. Complete with stage show & retro- inspired costumes, Dog 'N' Butterfly takes the concept of "Tribute" to a whole new level! Fronting the band is vocalist Lizann Warner whose portrayal of Ann Wilson is both eerie and un-paralleled. Her un-canny Ann-like voice has not only earned her praise from the actual members of Heart, but also landed her several tracks on video games including the popular Activision game: Guitar Hero III, singing Heart's hit "Barracuda", as well as "Magic Man" on Konami's Game: Rock Revolution. Lizann's credits also include TV ad jingles like the current commercial for Sandals Resorts ["My Blue Heaven"], airing on all major networks including: CNN, FOX NEWS & CSNBC. Lizann is joined on stage by Desha (pronounced "De-shay") Dunnahoe a music major from Cal State University of Long Beach who is not only a multi-instrumentalist who plays both electric and acoustic guitars fluently, but is also a gifted composer and orchestrator who teaches young music students for the city of Long Beach's unified school district. Lizann and Desha are joined by a power-house line up of stellar musicians who create the look and sound so closely to the band HEART, that even Hearts founding members Ann & Nancy Wilson and Roger fisher have praised them for their authenticity.
