About

DR. LOVE (a KISS Experience)

Meet DR. LOVE, a powerhouse tribute band from Las Vegas delivering the ultimate KISS experience. These four veteran tribute artists with decades of stage experience channeling rock's most legendary band with fire-breathing intensity and arena-level theatrics, is currently booking performance and appearances in 2026/2027.

Mike Campion brings the Demon to life as Gene Simmons, anchoring the show with raw power and theatrical precision. With over 30 years' experience and past performances in One Last KISS, Rock and Roll Over, Gene's Addiction and THAT 80z BAND, Mike captures Simmons' fire-breathing, tongue-wagging persona with uncanny accuracy. His dedication to the role fuels the band's larger-than-life presence on stage.

Steve Mitchell takes center stage as Paul Stanley, the Starchild. With his commanding voice and signature swagger, Steve has been a staple in the Vegas music scene for years, fronting Sin City KISS and Generation KISS. Fans affectionately dubbed him "Chippen-Paul" for his rockstar charisma, but it's his passion for performance and connection with the crowd that truly sets him apart.

On lead guitar, Keith Robert War (also known as Keith Warcholak) has been channeling Ace Frehley for over 25 years with true Spaceman expertise. As a founding member of New York City's Dressed to Kill, Sin City KISS, and several other respected KISS tribute bands, Keith's electrifying solos and spot-on tone have captivated fans nationwide.

And on the drums, David DeCasper crushes it as Peter Criss, laying down the thunder behind the kit. David launched the first KISS Tribute Band in Texas in 1997 with The Band NOT Formerly Known as KISS and went on to perform regionally working with Livenation, Six Flags Theme Parks, House of

Blues, National Biker Rallies (including Sturgis).His performance of "Beth" will hit you right in the feels and then he'll turn around and tear into "Black Diamond" like a man possessed.
