

Draw The Line

About

Draw the Line — the Officially Endorsed Aerosmith Tribute Show — originated near Boston, Massachusetts, the same as Aerosmith themselves. Established in 1991, Draw the Line has been touring for more than 30 years spanning the continental United States, Canada, Mexico, Central America, the Caribbean and Europe, playing over 3,000 shows to sold-out audiences of up to 20,000 people. During a January 1998 radio interview, Aerosmith lead singer Steven Tyler singled out Draw the Line as the best of the Aerosmith tribute bands. DTL has been featured on MTV and AXS TV World's Greatest Tribute Bands as the best Aerosmith tribute show. They are the only tribute band featured on Aerosmith's website and their Aero Force One official fan club. Aerosmith members have been known to appear at DTL shows over the years.
