Electric Dream Machine – The EDM Live Band EDM Party!
THIS IS MORE THAN A BAND!
THIS IS A 4+-HOUR ELECTRONIC DANCE MUSIC PARTY
w/ BAND & DJs and EDM Festival Show

Electronic Dance Music, or “EDM,” is the most popular genre of music in the world today. However, EDM music shows have been the exclusive domain of the DJ!...until now.

The band is a work of technical brilliance combined with amazing musicians. Along with extravagant light and video presentations, just like you would see at a big EDM festival. Performing the most iconic Electronic Dance Music songs from the 1990s-Now. Songs that you have never heard a live band play because of technological limitations.

Hits from artists like:

Calvin Harris
Zedd

Alice DJ
Deamau5
Rihanna
David Guetta
Tiesto
Marshmellow
Swedish House Mafia
Martin Garrix
...and similar

With the help of modern technology and hundreds of man-hours, Electric Dream Machine has gone to great lengths and expenses to bring you the live rave, live EDM experience performed by a live band.

This female-fronted dynamic show features Jazmine Rogers and Dianna Lynn Ferrer mesmerizing the audience with some of the most powerful vocal performances out there, along with modern, energetic dance performances, as well as specially designed captivating "Light Shows" using Fiber-optic whips, Light Batons, Glowing Poi Balls and more.
