

Eliminator

About

Founded in Chicago in October 1992, Eliminator is the longest-running ZZ Top tribute act in the world. No one has been doing this longer — not in America, not anywhere. That's not a marketing line. That's thirty-plus years of showing up, sounding right, and leaving every audience wanting more.

When Eliminator takes the stage, something clicks almost immediately. The hats. The beards — full, authentic, and unmistakably ZZ. The synchronized steps that Billy and Dusty made famous. The fur guitars. It's a complete picture, assembled with the kind of care that only comes from decades of total dedication to the craft.

The result is a show that works everywhere — from a 2,000-seat performing arts center to a casino showroom to an outdoor festival stage. The energy adapts. The quality doesn't.
