

Endless Summer

About

Endless Summer Tribute Band was founded by singer-songwriter, Miko Reed and a group of friends in sunny San Diego, California. They love disco music and decided to put together a tribute act that pays homage to the queen of disco, Donna Summer featuring the Voice of Miko Reed. As a former record label recording artist with Sony Orchard, Miko decided to put together a disco tribute act that performs some of Donna's top hits and invited some of her friends to the party as well (Abba, Gloria Gaynor, Kool & the Gang, The Bee Gees). We are a high energy, dance band and encourages the audience to feel free to come dressed up in their studio 54 best threads and to get up and dance and sing along to some of 70's greatest disco Anthems!
