About

Eyes of Alice is a stunning visual, theatrical and musical recreation of the world's most infamous and beloved shock rock entertainer. Vocalist Robby Cooper, considered one of North America's top Alice Cooper impersonators, has performed his role as the king of scare for almost 16 years. With his uncanny resemblance in looks, voice and on stage mannerisms, leaves audiences believing they've witnessed one of the closest portrayals to the real thing. Audiences are left both horrified and amazed as the cast and crew bring the characters of your favorite songs to life—and sometimes death. From the prop filled stage consisting of clowns, nurses, monsters, spiders and executioners to the harmonies and instrumentation, this is the Ultimate Alice Cooper Experience.
