Fleetwood Macked The Ultimate Tribute to Fleetwood Mac for theaters, casinos, festivals, and private events

About

Fleetwood Macked The Ultimate Tribute to Fleetwood Mac is a New York-based tribute built around Fleetwood Mac's music and most popular lineup. The band has performed nationally for more than 18 years, with sold-out shows across the U.S.

The six-piece lineup features Hillary Epstein as Stevie Nicks, Michael Epstein as Lindsey Buckingham, Tracy Wells as Christine McVie, Kenny Kearny as John McVie, Phil Weiss as Mick Fleetwood, and Andrew Nadien on keys, guitar, and vocals.

The show covers Fleetwood Mac hits from the 70s, 80s, 90s, and today. The band also offers a Rumours album performance in its entirety. Songs are recreated with attention to the original arrangements, supported by professional touring rock musicians.

The presentation includes costume changes, dialogue, and video backdrops. It is an all-ages show suited to theaters, concert halls, amusement parks, summer concert series, parks, casinos, corporate events, clubs, and private events.

Fleetwood Mack'd has performed at venues including Harrah's Atlantic City, Mohegan Sun Pocono Downs, Penn's Peak, the TD Bank Amphitheater, and Dix Hills Performing Arts Center. Newsday described the act as "the most visually and sonically authentic tribute to Fleetwood Mac in the U.S."
