About

Fleetwood Mask is a Fleetwood Mac tribute based in Northern California and the only tribute in the Americas endorsed by Fleetwood Mac founding member Mick Fleetwood. In one of his video endorsements of the group, he says, This band does it right. I'm proud to know the music of Fleetwood Mac is in good hands indeed.

Founded over a decade ago, Fleetwood Mask was built as a detailed tribute to Fleetwood Mac and has toured the U.S. every year since. The band focuses on visual realism, musicianship, stage performance, and sound quality, with close attention to the look and feel of specific eras.

That approach extends to the gear and wardrobe. Each performer uses period-accurate equipment and bespoke period-accurate stage wear, and at many shows the band uses original touring equipment and original instruments owned and used by Fleetwood Mac in concert.

The band's penguin logo was designed by Larry Vigon, whose Fleetwood Mac design credits include the White Album, Rumours, Tusk, Fleetwood Mac Live, Mirage, and 25 Years The Chain, along with

solo album covers for Christine McVie, Mick Fleetwood, and Lindsey Buckingham.

Shows cover the hits, fan favorites, and deep cuts, with live concert packages that may include specific tributes to Fleetwood Mac's 1980 Tusk tour, the 1982 Mirage tour, and the 1997 Dance reunion tour.
