

George Jones Tribute Show

Tribute to George Jones

About

Ron Crites presents a George Jones tribute show built around the sound, mannerisms, and stage presence associated with George Jones.

He has performed on his own for over 40 years, with credits including Carnival Cruise Lines, theaters, major hotels, lounges, and other entertainment venues. Since his first stage appearance in Orlando, Florida in 1972, he has spent his career performing throughout the United States.

While in Nashville, Ron performed with many entertainers who told him it felt like George Jones himself was singing with them. The show is designed to bring back memories for longtime George Jones listeners while also introducing the material and performance style to younger fans.

For buyers, the format is easy to place across casino venues, local theaters, corporate events, and private parties. The presentation centers on great music, familiar songs, storytelling, and a professional approach that fits a range of event settings.
