

Ghost In The Machine

About

Ghost in the Machine is the premier Police/Sting tribute band in the country. They faithfully and accurately reproduce the recordings of The Police and Sting as we have heard them countless times on the radio and CDs, using a full complement of top musicians and singers to achieve all the parts on the records. They perform these totally live (no tracks), while at the same time delivering a live concert show that is at once energetic and amazing, leaving the audience screaming for more.

Short bio

Ghost in the Machine faithfully reproduces The Police and Sting recordings with top musicians and singers, performing every part totally live without tracks. Their energetic concert show delivers the sound of the records with a full live band.
