About

Got the Life is Tampa Bay's premier high energy tribute to the Nu Metal pioneers, Korn. Hailing from the vibrant music scene of Florida's Gulf Coast, Got the Life delivers an authentic, powerful, and electrifying live experience that captures the raw intensity and groundbreaking sound of Korn at their peak.

With thunderous bass drops, crushing seven-string guitar riffs, and the unmistakable guttural vocals that defined a generation, Got the Life brings the full force of Korn's catalog to the stage. From the aggressive anthems of their self-titled debut to the darker, heavier grooves of *Untouchables* and *Follow the Leader*, the band faithfully recreates every breakdown, every scream, and every iconic hook with jaw-dropping accuracy.

Known for their high-energy performances, Got the Life doesn't just play Korn songs, they channel the chaos, the aggression, and the unfiltered emotion that made Korn legends. Expect mosh-pit-inducing renditions of classics like "Freak on a Leash," "Got the Life," "Blind," "Falling Away from Me," and "Here to Stay," along with deep cuts that true fans crave. The band's powerful stage presence and relentless energy turn every show into a full throttle Nu Metal revival, complete with the signature jump suits, pounding rhythms, and wall-shaking intensity that Korn fans demand.

Whether you're a longtime devotee who grew up on Issues or a new fan discovering the nu-metal movement, Got the Life delivers an authentic tribute that honors the spirit, sound, and attitude of Korn while injecting fresh Florida fire into every performance.
