About

Gratefully Yours is a Grateful Dead inspired band, based out of New Paltz, NY. The band was conceived and founded in 2012 by keyboardist Alex Mazur, who is also the founder of The Deadbeats; one of the longest running Grateful Dead cover bands in existence. Their willingness and ability to improvise, and their openness to spontaneity and the energy of the moment lie at the core of their performances. In the very best tradition of The Grateful Dead, this openness allows the crowd to become a part of the creative process, resulting in a synergy between the band and the crowd that is unique and truly special. Gratefully Yours also allows their audience to submit their dream set lists, which the band may choose to perform. The band members are all long time highly regarded players: Alex Mazur (Keys), Jude DeFalco (Drums), Steve Chung (Bass), and Robert Schiff (Guitar).
