About

Green Today is a Green Day tribute built around the songs, look, harmonies, and hooks Green Day fans expect from a live show.

The band's set draws from more than 20 years of Green Day music, giving buyers a tribute that speaks to multiple generations of fans. On stage, Green Today centers the sound and feel of the material with a clear appreciation for Green Day's catalog.

Their show reaches back to the early years of 39/Smooth (1990), Kerplunk (1992), and Dookie (1994), and continues through 21st Century Breakdown (2009). Green Today plays the Green Day hits and fan favorites from across that span.

For buyers looking for a straight-ahead Green Day tribute, Green Today offers a focused set built on recognizable material and a live presentation shaped around the band's songs and style.
