

Gypsy Dreams

A Tribute to Fleetwood Mac

About

Gypsy Dreams is a Fleetwood Mac tribute built around the songs that define the band's catalog. The show centers on familiar favorites including Dreams, Go Your Own Way, Rhiannon, You Make Loving Fun, Don't Stop, and Say You Love Me, along with solo material released by Stevie Nicks and Lindsey Buckingham.

Presented as The Fleetwood Mac Concert Experience, the set is designed to bring the music and feel of Fleetwood Mac to the live stage. It draws on the era when album rock ruled FM radio and these songs became part of everyday listening.

For buyers, the format is straightforward and easy to place: a clearly focused Fleetwood Mac tribute with strong song recognition and a set built from well-known material.
