

Half Step

About

Half Step is a group of dedicated fans and students of the Grateful Dead, capturing the spirit, improvisation, sound and complexity of Grateful Dead music. Established in 2004 on Long Island, Half Step has been mastering their craft while winning over crowds of veteran Deadheads, newcomers and non-Dead fans alike. Like the Grateful Dead themselves, the band is constantly pushing the envelope, growing together as musicians and performers. Only true fans that have experienced and studied the music with an extreme level of dedication and passion can accurately represent the superb body of work that the Grateful Dead have to offer. When seeing Half Step live, one can clearly see the attention to detail that the band has in putting on a viable Grateful Dead experience. They stay true to the traditional show format and play sets of tunes in a sequence that could likely have been performed by the Dead themselves years ago.
