About

Journeymen isn’t just a tribute band; they are a high-energy, five-piece powerhouse that captures the legendary intensity of Journey’s peak arena years. Based in San Diego and comprised of world-class professional musicians, the band has earned a reputation as one of the premier tribute acts in the United States.

From the first note, Journeymen pulls audiences out of their seats with soaring Steve Perry-style vocals, iconic "wall of sound" guitar tones, and the lush, stacked harmonies that made Journey a global phenomenon. Their setlist is a masterclass in rock history, featuring every mega-hit from "Don’t Stop Believin’" and "Separate Ways" to "Faithfully" and "Any Way You Want It."

But the journey doesn’t stop there. To round out a true stadium experience, the band seamlessly weaves in ageless arena anthems from Boston, Foreigner, Bon Jovi, Styx, and Toto. Whether they are performing at elite casinos, major festivals, or high-end corporate events, Journeymen delivers a professional, interactive performance that turns every crowd into a singing, swaying, lighter-waving choir.
