

Mojo Risin

About

Based in the Doors' hometown of Los Angeles, Mojo Risin' is the ultimate Doors tribute band on the West Coast. Featuring pro musicians, the band takes their audience on a musical journey through all of The Doors' timeless, classic hits, including Light My Fire, L.A. Woman, Roadhouse Blues, Break On Through and Riders on the Storm.

Mojo Risin' brings excitement and energy to every performance with a focus on giving audiences a respectful and nuanced tribute to this legendary band. Singer John Nagle nails Jim Morrison's trademark buttery baritone and primal growl, and bears a striking resemblance to the LA Woman-era, bearded Morrison. With guitarist Matt O'Neill as Robby Krieger, drummer Eric Nagle as John Densmore, and John Harjo in the role of Ray Manzarek.
