

Oceans

A Tribute To Pearl Jam

About

Oceans is a San Diego Pearl Jam tribute band formed in late 2017. The band was started out of a shared love for Pearl Jam, with a set built to cover the hits while also making room for deep cuts from across the catalog.

The focus is on recreating the passion and sound that made Pearl Jam one of the most iconic bands of their time and bringing that energy to the stage for both longtime fans and first-time listeners.

Oceans has built demand through the West Coast club scene and is looking toward larger and more distant venues. The band is available for festivals, casinos, clubs, special events, and parties.

The lineup features six professional musicians with backgrounds in original, tribute, and cover bands. Oceans was formed to bring their passion for the Pearl Jam sound to venues and establishments across the West Coast.
