

Petty Theft Dallas

About

Since two days before Christmas 2003, Petty Theft has been rocking the Dallas-Fort Worth metroplex with their shockingly accurate, true-to-life covers of the music of Tom Petty and the Heartbreakers. One of the largest draws on the local cover band scene, the band brings crowds to their feet, dropping every Tom Petty hit you could name, from 'American Girl' to 'Don't Come Around Here No More' and everything in between. Offering something from every album in the band's massive catalog, nothing is spared in order to get it right — from the sonic and tonal qualities of every instrument, right on down through the presentation of songs. Those who attend a Petty Theft show do so knowing they're going to see a band that will leave everything it has up there on the stage.
