Philly Joel - The Billy Joel Tribute

About

The moment Philly Joel steps onto the stage, the audience knows it's going to be an incredible night. This is Billy Joel in his prime plus hits from all the eras.

It's a highly entertaining show from start to finish, with the audience laughing, clapping, and singing along all through the night. Fans get to enjoy rockers like Big Shot; tender moments like She's Got A Way; and a swinging virtuoso performance of Zanzibar. People love the horn section in Tell Her About It, the vocal harmonies in Uptown Girl, and the clarinet in Scenes from an Italian Restaurant.

It's all the magic of Billy Joel — the music, the crowd interaction — helmed by a true showman. It makes for an unforgettable night.
