

RASTAS Retro

Tribute to Maná

About

RASTAS Retro presents VIVE MANÁ, a live tribute centered on the songs that made MANÁ a defining name in Latin rock. The set runs 90 minutes and covers material from the early 90s through the present, focused on the hits audiences know.

RASTAS Retro also includes Los Diablitos, a Caifanes tribute formed in 2015 and dedicated to celebrating the legendary Mexican rock band. Together, the group offers several show formats built around MANÁ, Caifanes, and Rock en Español.

Buyers can book a night with MANÁ in the first half and Rock en Español in the second, or a show with Caifanes in the first half followed by Rock en Español. The Rock en Español set is built around songs associated with Enanitos Verdes, Hombres G, Alejandra Guzmán, Gloria Trevi, and other Latin pop-rock artists.

The band also offers a combined format that merges MANÁ and Caifanes tributes with Rock en Español for a full evening of classic Latin rock and pop-rock material. Songs are performed by male and female vocalists, with the show structured to give fans of either tribute a clear, familiar set list and a flexible event format.
