

Recaptured

About

Recaptured is Chicago's premier Journey tribute band, featuring Bob Biagi and delivering all the lights, sounds, and Journey-esque atmosphere you would expect. This is not a cover band, but a group of talented musicians and vocalists who have perfected every nuance of what made Journey the Super Group they are. Recaptured performs all the hits that made Journey famous, one fabulous hit after another. The definition of tribute is a gift or compliment given in acknowledgment of gratitude or esteem - Recaptured reflects that meaning with the attention to detail to make certain every note is played and every harmony is sung just like it was recorded by Journey.
