About

BIO

Shades of Billy is a musical tribute to Billy Joel comprised of lead singer, Steve Feller, who looks and sounds like Billy Joel with a band of veteran players that rock the sounds to excellence. The compilation of these band members from their former experiences of performing with major acts and acts of their own throughout the years have given them the ability to play it right. They take the extra time and expertise to play all the additional intricacies as Billy Joel and his band play the incredible lineup of songs. This tribute to Billy Joel brings to their audience the exciting and accurate representation of Billy Joel in the look, feel and sounds of excellent horns, vocals, pianos, guitars and bass to accompany their lead vocalist at the grand piano.
