

SiC Tx

Tribute to Slipknot

About

SiC Tx is a 9-member Slipknot tribute based in the Dallas-Fort Worth metroplex, built around a full-production show with a clear focus on recreating the band's sound and onstage impact.

The set centers on note-for-note performances of Slipknot's most iconic material, covering the raw intensity of the self-titled era through their later modern metal anthems. For buyers, that means a tribute that is easy to place: recognizable songs, a defined visual identity, and a format that matches the scale of the source band.

Onstage, SiC Tx uses fully accurate masks and jumpsuits, custom percussion rigs, and aggressive choreography to support the music with the visual elements fans expect from a Slipknot tribute. The result is a show designed to deliver both the sound and spectacle associated with the band.

Recognized as one of the most active and rapidly growing Slipknot tributes in the U.S., SiC Tx has built its presentation around no-shortcuts dedication to the original act for metal crowds in Texas and beyond.
