

Southern Fried

About

Southern Fried came together in the fall of 2023, born from a collaboration of seasoned musicians from across Southern California's original, cover, and tribute scenes. Their mission was clear: revive the soulful, gritty flavor of Southern rock that dominated the airwaves throughout the 70s, 80s, and 90s.

The band expertly replicates the iconic hits of legendary acts, including:

Lynyrd Skynyrd & The Allman Brothers

.38 Special & Molly Hatchet

The Marshall Tucker Band & Blackfoot

The Black Crowes & Creedence Clearwater Revival

Thriving on the sound of Music Americana, Southern Fried is driven by a passion to deliver every performance with authentic skill.

Whether you're out rockin' with a "Mississippi Queen," catching "Linda Lou" for a "Saturday Night Special," or listening to a "Love Song" while "Flirtin' with Disaster," this band delivers. From "Beatin' the Odds" to the moment "The Devil Went Down to Georgia," you're going to love the energy they

bring. Southern Rock Americana is the name of the game, and for Southern Fried, it's what they're all about!
