

Stellar - AN Incubus Experience

About

An Incubus Experience is a Houston, Texas-based tribute to the band Incubus. Comprised of vocalist Adrian Arce, guitarist Nick Rodriguez, bassist Frank Wooten Groove, drummer Fred Escobedo, and Patrick Wallace, aka "DJ PWally," the band formed in 2019. Stellar blends the nostalgia and modern essence of Incubus' post-grunge, nu-metal, experimental funk, and alternative rock sound that made them icons among indie and metal genre fans.

Stellar delivers an authentic tribute performance, including video overlay and automated lighting, with absolutely no backing tracks. Fans can expect powerful renditions of Incubus hits like "Drive," "Wish You Were Here," "Pardon Me," "Megalomaniac," "Stellar," and "Anna Molly" alongside deeper cuts that showcase the band's experimental roots.

Stellar is often praised for their attention to detail, history, and passionate performances, making them a favorite among die-hard Incubus fans.

Short bio

An Incubus Experience is a Houston-based tribute formed in 2019, performing Incubus hits and deeper cuts with video overlay, automated lighting, and no backing tracks.

Full press bio
