

Sun Dogs

About

Sun Dogs formed in the wake of Rush's final tour with the goal of reproducing the sounds of rock's finest Canadian trio. Mark Schenker of multi-platinum selling recording and touring artist KIX takes on many roles, including bass, lead vocals, keyboards and bass pedals. Bob handles the guitars and bass pedals and as an astute guitar collector plays many of the same guitars Alex Lifeson played throughout his career with Rush. Bob's Gibson ES-1275 Double-Neck played on stage was owned by Alex Lifeson himself. Sun Dogs are the premier Rush tribute, delivering nearly 40 years of Rush's great music.
