

Super Soul Groove

About

SUPER SOUL GROOVE is Southern California's premiere high-energy dance party band. This crew performs a mega show of the greatest hits by legendary artists such as: Michael Jackson, Whitney Houston, Prince, Bruno Mars, Donna Summer, Drake, James Brown, Parliament Funkadelic, Beyonce, Earth Wind & Fire, The Commodores, The Temptations, Mariah Carey, Aretha Franklin, Stevie Wonder and many more.

The artists in SSG are amazing in their own right, having either toured with national acts or done sessions with a plethora of superstar recording artists based on the West Coast. The band came to fruition as a fun musical project in order for the players to perform all the upbeat funky soul dance songs they grew up listening to while partying in the clubs and on the college scene back in the day. SSG shows feature multiple lead singers with a smoking horn section. As an outlet they deliver a juggernaut sound. No music fan is ever denied hearing at least a few of their favorite Platinum Soul Party dance hits of the most popular charted hits of the last five decades. SSG is like a live jukebox cranking through an extensive playlist of the material that includes the genres of: Disco, Funk, Classic Soul, and Current R&B Dance. So come out and get your groove on with the Super Soul Groove – They will have you dancing to timeless party tunes from yesterday and today!
