About

Tacvbar is a group of LA musicians who sought to fill in the gaps in the local music scene that lacked a consistent representation of Cafe Tacvba music played live. Combining musicians from existing successful projects, Tacvbar looked to create a Tribute band bigger than the sum of its parts, in direct homage to the mixture of elements that has characterized Cafe Tacvba musically and artistically. Debuting in 2024, Tacvbar has already enjoyed successful appearances and has begun a grassroots following in AZ, NV, WA, OR, TX and all over CALIFORNIA. You can become a part of this movement and family at any of their upcoming dates.
