

# The Dirt - 80s Hair Metal Experience

The Dirt brings the electric, over-the-top energy of 1980s hair metal back to the stage!

## About

The Dirt brings the electric, over-the-top energy of 1980s hair metal back to the stage! Drench yourself in the big guitars, soaring vocals, and iconic anthems of bands like Mötley Crüe, Poison, Guns N' Roses, and Bon Jovi. More than just a cover band, The Dirt delivers a high-octane theatrical experience, complete with the flashy costumes, maximum attitude, and unforgettable stage presence that defined the era. Get ready to sing along, pump your fist, and relive the decade when rock 'n' roll was truly loud and loose

## Short bio

The Dirt brings 1980s hair metal back with big guitars, soaring vocals, iconic anthems, flashy costumes, and maximum attitude. Their high-octane theatrical experience draws from Mötley Crüe, Poison, Guns N' Roses, and Bon Jovi, giving audiences plenty to sing along to and fist-pump through.

## Full press bio

The Dirt brings the electric, over-the-top energy of 1980s hair metal back to the stage. More than a cover band, they deliver a high-octane theatrical experience built around big guitars, soaring vocals, iconic anthems, flashy costumes, maximum attitude, and the stage presence that defined the era. Their repertoire draws from Mötley Crüe, Poison, Guns N' Roses, and Bon Jovi. Expect a loud, loose

throwback designed for singing along, pumping fists, and reliving the decade when rock 'n' roll was truly loud and loose.

## Tagline

1980s hair metal energy, big guitars, soaring vocals, and iconic anthems
