

The Eagles Allstars

TWO Amazing Tributes in One Night

About

"The Eagles Allstars is a Southern California-based tribute to the Eagles—their own backyard. The core lineup is a tight four-piece that can expand to a five-piece when the budget or stage calls for it. Led by drummer/bandleader David Logeman, the group features top vocalists and players who have performed with members of the Eagles and their solo projects, including bands with Timothy B. Schmit, Don Felder, and Joe Walsh's James Gang. The Eagles Allstars deliver the hits faithfully—electric or fully acoustic—tailored for concerts, corporate events, and special occasions.

Introducing: Where the Beach Meets the Desert

Book a double-shot of California harmony: a 60-minute set of Beach Boys classics followed by a 60-minute set of Eagles essentials—sung by artists tied to both legendary touring camps. Multiple lineup options are available, from budget-friendly configurations to full headliner packages.
