

# The Eagles Experience - California

## About

All the members of this 5-piece band are Allstars when it comes to the music of the Eagles. This lineup has performed the Greatest Hits of the Eagles for years and now has a new band name, FAST LANE ALLSTARS, due to the group's love of the Eagles hit "Life In The Fast Lane." The leader of this band, David Logeman, and his rhythm guitarist both shared the stage with a group headed by Glenn Frey, who started the Eagles in 1971. The keyboardist for the group performed with Don Felder, the 5th original member of the Eagles. The band's lead guitar player recorded with members of Joe Walsh's first band, The James Gang, after Joe joined the Eagles. The bass player still plays keyboards with the group headed by Timothy B. Schmit, the bass player in the Eagles. The vocals of the Allstars are the closest thing to the original Eagles of any tribute band.
