

The Experience-A Tribute To Jimi Hendrix

Tribute to Jimi Hendrix

About

The Experience-A Tribute To Jimi Hendrix is a Las Vegas tribute act led by Trevor James, built around the songs and live feel associated with Hendrix.

The set draws from well-known material including Purple Haze, Voodoo Child, Foxy Lady, Hey Joe, The Wind Cries Mary, Red House, Fire, and All Along the Watchtower. The show leans into the psychedelic rock and blues-driven side of the catalog, with guitar-forward arrangements, vocals, and stage presence at the center.

Trevor James brings over 20 years of experience and fronts the band with a performance style shaped by a clear reverence for Hendrix's artistry. He is backed by a full band, giving buyers a tribute format that goes beyond a solo interpretation and supports the weight and volume of the material on stage.

For venues, festivals, and buyers programming classic rock or blues-oriented audiences, the act is easy to place: a focused Hendrix tribute with familiar songs, a full-band setup, and a set built around strong crowd recognition.
