

The Kings of 88

About

The Kings of 88 celebrates the artists who made piano one of the defining sounds of rock & roll, bringing generations of classic piano-driven hits together in one high-energy show.

For more than a decade, The Kings of 88 has entertained audiences throughout the West, performing at hundreds of concerts and events—from summer concert series, fairs and festivals to casinos, corporate functions and special events.

At the helm is founder, pianist and lead singer Tommy Reeves, whose dynamic piano playing, powerful vocals and engaging stage presence drive the show. An accomplished singer, songwriter and pianist, Reeves has performed alongside an impressive range of artists and a legendary composer.
