

The Machine

About

The Machine Live is America's premiere Pink Floyd tribute band. With over 30 years of experience, they have established a reputation for extending the musical legacy of Pink Floyd. The New York based quartet performs a diverse mix of Pink Floyd's extensive 16 album repertoire, including popular hits and obscure gems. Their performances feature stellar musicianship, passionate delivery, and collective improvisation reminiscent of early 1970's Pink Floyd. The Machine also incorporates expanded theatrical elements, elaborate stage displays, and lighting to enhance the concert experience.
