About

The Ultimate Thriller is the Michael Jackson tribute concert experience, created to bring audiences worldwide the experience of being at one of Michael's concerts. This authenticity was achieved by collaborating with some of Michael's closest advisors, technicians, choreographers and musicians. For the star of the show, it was about performing the songs of the artist he's most adored his entire life. For the dancers, it was a chance to learn and execute some of the world's best-known choreography.
